The Wrath of God

By Barry A. Wilson

“Son of man, do not fear them or their words. Don’t be afraid even though their threats surround you like nettles and briars and stinging scorpions. Do not be dismayed by their dark scowls, even though they are rebels. You must give them my messages whether they listen or not. But they won’t listen, for they are completely rebellious!” Ezekiel 2:6-7

“The Lord, the God of their ancestors, repeatedly sent his prophets to warn them, for he had compassion on his people and his Temple. But the people mocked these messengers of God and despised their words. They scoffed at the prophets until the Lord’s anger could no longer be restrained and nothing could be done.” 2 Chronicles 36:15-16

Before God sends judgment on His people. He always sends them warning by His prophets. God has been sending His warnings for years now, but we are not listening. This is just some of the warnings that God has been sending through His prophets.

“Our nation right now is receiving its final call to repentance, just prior to a great judgment. I believe America stands at the brink of an economic and social collapse.” (David Wilkerson 1983)

“I see a plague coming on the world, and the bars, churches and government will shut down. The plague will hit New York City and shake it like it has never been shaken. The plague is going to force prayerless believers into radical prayer and into their Bibles, and repentance will be the cry from the man of God in the pulpit. And out of it will come a Third Great Awakening that will sweep America and the world.” (David Wilkerson 1986)

“When the watchman sees the enemy coming, he sounds the alarm to warn the people. Then if those who hear the alarm refuse to take action, it is their own fault if they die. They heard the alarm but ignored it, so the responsibility is theirs. If they had listened to the warning, they could have saved their lives. But if the watchman sees the enemy coming and doesn’t sound the alarm to warn the people, he is responsible for their captivity. They will die in their sins, but I will hold the watchman responsible for their deaths.” (Ezekiel 33:3-6) As you can see in the 1980’s David Wilkerson had warnings for us about God’s judgment coming on our nation. This pandemic is just one of the many warnings that God has given us so that we as a nation will return to Him. God also warned the church that it needs to change. This warning was also given in the 1980’s. God wants to move in His churches, but the church is not ready. We have not taken God’s warning seriously.

Turn Your Face into the Wind

(A prophetic word to the church given at midnight, April 6, 1987, to David Minor) The Spirit of God would say to you that the wind of the Holy Spirit is blowing through the land. The church, however, is incapable of fully recognizing this Wind. Just as your nation has given names to its hurricanes, so I have put My Name on this Wind. This Wind shall be named Holiness Unto The Lord.

Because of a lack of understanding some of My people will try to find shelter from the Wind, but in so doing, they shall miss My work.

For this Wind has been sent to blow through every institution that has been raised in My Name. In those institutions that have substituted their name for mine, they shall fall by the impact of MY Wind. Those institutions shall fall like cardboard shacks in a gale. Ministries that have not walked in uprightness before Me shall be broken and fall.

This is MY Wind

For this reason, man will be tempted to brand this as a work of Satan, but do not be misled. This is My Wind. I cannot tolerate My Church in its present form, nor will I tolerate it. Ministries and organizations will shake and fall in the face of this Wind, and even though some will seek to hide from this wind, they will not escape. It will blow against your lives and all around you will appear crumbling, and so it shall.

But never forget this is My Wind, saith the Lord. With tornado force it will come and appear to leave devastation, but the Word of the Lord comes and says, "Turn your face into the Wind and let it blow." For only that which is not of Me shall be devastated. You must see this as necessary.

My Second Wind

Be not dismayed. For after this, My Wind shall blow again. Have you not read how My Breath blew on the valley of the bones? So, it shall breath on you. This wind will come in equal force as the first wind. This wind too will have a name. It shall be called THE KINGDOM OF GOD.

It shall bring My government and order. Along with that it shall bring My power. The supernatural shall come in that Wind. The world will laugh at you because of the devastation of that first Wind, but they will laugh no more. For this Wind will come with force and power that will produce the miraculous among My people and the fear of God will fall on the nation.

My people will be willing in the day of My power, saith the Lord. In My first wind that is upon you now, I will blow out pride, lust, greed, competition, and jealousy, and you will feel devastated, but haven't you read. "Blessed are the poor in spirit, for theirs is the kingdom of Heaven"? So out of your poverty of spirit I will establish my Kingdom. Have you not read, "The Kingdom of God is in the Holy Ghost?" So, by My Spirit, My Kingdom will be established and made manifest.

Know this also, there will be those who shall seek to hide from this Wind and they will try to flow with the second Wind. But again, they will be blown away by it. Only those who have turned their faces into the present Wind shall be allowed to be propelled by the second Wind.

You have longed for revival and a return of miraculous and the super natural. You and your generation shall see it, but it shall only come by My process, saith the Lord.

The church of this nation cannot contain My power in its present form. But as it turns to the Wind of the Holiness of God, it shall be purged and changed to contain My glory. This is judgment that has begun to the house of God, but it is not the end. When the second Wind has come and brought in My harvest, then shall the end come.” (David Minor 1987)

This is a warning to the church that it must get right with God or it will not stand in the wind that is coming. We have been seeing this wind in the churches for some time. We are seeing God revealing problems in the church so that the church can repent and become the true church of Jesus Christ. My spirit has been telling me for a long time that God’s judgment is coming that we must get right with God and repent of our sins and turn back to God. These warning are not all the warnings that God has given us. He gave these warnings in the 1980’s this has been forty years ago. I believe that the time has come for us to repent or more judgment will happen. I have mixed emotions about what I feel that God is doing, both excited and fearful. I am excited that God has allowed me to live in these exciting times. That I can see the Bible come alive in our world today. I am fearful that I cannot bring enough people into the Kingdom of God. I am fearful that some of my family and friends are not ready for what God has in store for us. I also have peace about what is happening. I know beyond a shadow that God is in control. If nothing else these prophecies are proof that God is real. We must be on our knees praying that God will wake up the people and that we must return to God.
